I just want to take this time on behalf of all Officers and Directors to thank you both for the outstanding concert you performed in Erie at our Historic Warner Theater. The mature audience was thrilled and definitely wants you both to return to Erie for another concert in the near future.

Your wide array of songs, music and sense of humor will be remembered here in Erie for many years to come. Many in the audience said I saved the best concert for last and I agree that your concert was nothing less than spectacular.

Once again thank you for the incredible concert and your wonderful thoughtfulness to our audience.

Sincerely

Garlan Newcomb
